[www.getgobox.com](http://www.getgobox.com)

National Portable Storage Association

**GoBox** is your business' solution for on site commercial, industrial and construction storage.

## SIZE OPTIONS

**GoBox** storage containers are available in two sizes – 20 feet and 40 feet – enabling customers to choose the size that best meets their needs.

## CONVENIENCE

Convenience is the reason so many people are turning to us. Simply call **GoBox**, and we will deliver a storage container to you. When done, **GoBox** will return to pick it up from your site.

## QUALITY

Your materials will be safely stored away. **GoBox** containers are soundly constructed to be wind resistant and water tight. Hinged, steel doors give **GoBox** storage containers added security.

## SERVICE

**GoBox** is a company that prides itself on its integrity, providing responsive customer service and a business-friendly attitude.
